Item 4 **Advisory Business**

- A. Burt Associates, Inc. (BAI) d.b.a. Burt Wealth Advisors (“Burt Wealth”) is a Maryland Corporation formed on June 26, 1972. BAI registered as an investment adviser on April 23, 1985. BAI is owned by BAI Holdings, Incorporated. Frederick J. Cornelius, III is BAI’s President.
- B. As discussed below, Burt Wealth offers to its clients investment advisory services, and, to the extent specifically requested by a client, financial planning and related consulting services.

INVESTMENT ADVISORY SERVICES

The client can determine to engage Burt Wealth to provide discretionary investment advisory services on a *fee only* basis. Burt Wealth’s annual investment advisory fee is based upon a percentage (%) of the market value of the assets placed under Burt Wealth’s management. Prior to engaging Burt Wealth to provide investment advisory services, clients are required to enter into an *Investment Advisory Agreement* with Burt Wealth setting forth the terms and conditions of the engagement (including termination), describing the scope of the services to be provided, and the fee that is due from the client.

Burt Wealth’s annual investment advisory fee shall include investment advisory services, and, to the extent specifically requested by the client, financial planning and consulting services. In the event that the client requires extraordinary planning and/or consultation services (to be determined in the sole discretion of Burt Wealth), Burt Wealth may determine to charge for such additional services, the dollar amount of which shall be set forth in a separate written notice to the client.

FINANCIAL PLANNING AND CONSULTING SERVICES (STAND-ALONE)

To the extent requested by a client, Burt Wealth *may* determine to provide financial planning and/or consulting services (including investment and non-investment related matters, including estate planning, insurance planning, etc.) on a stand-alone separate fee basis. Prior to engaging Burt Wealth to provide planning or consulting services, clients are generally required to enter into a *Financial Planning and Consulting Agreement* with Burt Wealth setting forth the terms and conditions of the engagement (including termination), describing the scope of the services to be provided, and the portion of the fee that is due from the client prior to Burt Wealth commencing services. If requested by the client, Burt Wealth may recommend the services of other professionals for implementation purposes, including certain owners of Burt Wealth’s parent company in their individual capacities as attorneys and/or accountants (*See* disclosures at Item 10.C below). The client is under no obligation to engage the services of any such recommended professional. The client retains absolute discretion over all such implementation decisions and is free to accept or reject any recommendation from Burt Wealth. **Please Note:** If the client engages any such recommended professional, and a dispute arises thereafter relative to such engagement, the client agrees to seek recourse exclusively from and against the engaged professional. **Please Also Note:** It remains the client’s responsibility to promptly notify Burt Wealth if there is ever any change in their financial situation or investment objectives for the purpose of reviewing, evaluating or revising Burt Wealth’s previous recommendations and/or services.

MISCELLANEOUS

Limitations of Financial Planning and Non-Investment Consulting/Implementation.

As indicated above, to the extent requested by a client, we may provide financial planning and related consulting services regarding non-investment related matters, such as estate planning, tax planning, insurance, etc. **Please Note:** We **do not** serve as an attorney, accountant, or insurance agency, and no portion of our services should be construed as legal or accounting services. Accordingly, we **do not** prepare estate planning documents, tax returns or sell insurance products. To the extent requested by a client, we may recommend the services of other professionals for certain non-investment implementation purpose (i.e. attorneys, accountants, insurance, etc), including certain owners of Burt Wealth's parent company in their separate licensed capacities as discussed below. Clients are reminded that they are under no obligation to engage the services of any such recommended professional. The client retains absolute discretion over all such implementation decisions and is free to accept or reject any recommendation made by Burt Wealth or its representatives. **Please Note:** If the client engages any unaffiliated recommended professional, and a dispute arises thereafter relative to such engagement, the client agrees to seek recourse exclusively from and against the engaged professional.

Retirement Rollovers- Conflict of Interest: A client or prospective client leaving an employer typically has four options regarding an existing retirement plan (and may engage in a combination of these options): (i) leave the money in the former employer's plan, if permitted, (ii) roll over the assets to the new employer's plan, if one is available and rollovers are permitted, (iii) roll over to an Individual Retirement Account ("IRA"), or (iv) cash out the account value (which could, depending upon the client's age, result in adverse tax consequences). If Burt Wealth recommends that a client roll over their retirement plan assets into an account to be managed by Burt Wealth, such a recommendation creates a conflict of interest if Burt Wealth will earn new (or increase its current) compensation as a result of the rollover. When acting in such capacity, Burt Wealth serves as a fiduciary under the Employee Retirement Income Security Act (ERISA), or the Internal Revenue Code, or both. **No client is under any obligation to roll over retirement plan assets to an account managed by Burt Wealth.**

ByAllAccounts. In conjunction with the services provided by ByAllAccounts, Inc, Burt Wealth may also provide periodic comprehensive reporting services, which can incorporate all of the client's investment assets including those investment assets not managed by Burt Wealth (the "Excluded Assets"). Burt Wealth's service relative to the Excluded Assets is limited to reporting services only, and does not include investment implementation. Burt Wealth does not have trading authority for the Excluded Assets and is not Burt Wealth responsible for implementing any recommendations relative to the Excluded Assets. **Furthermore, the client and/or their other advisors that maintain trading authority, and not Burt Wealth, shall be exclusively responsible for the investment performance of the Excluded Assets.** Burt Wealth does not provide investment management, monitoring or implementation services for the Excluded Assets. The client may engage Burt Wealth to provide investment management services for the Excluded Assets pursuant to the terms and conditions of the *Investment Advisory Agreement*.

Use of Dimensional Fund Advisors Mutual Funds: Many mutual funds are available directly to the public, without engaging an investment professional. Others mutual funds, such as those issued by Dimensional Fund Advisors ("DFA"), are generally only available through registered investment advisers. Burt Wealth uses DFA mutual funds. Thus, if the client was to terminate Burt Wealth's services, restrictions regarding transferability and/or

additional purchases of, or reallocation among, DFA funds will apply. **Burt Wealth's Chief Compliance Officer, Frederick J. Cornelius, III, remains available to address any questions that a client or prospective client may have regarding this conflict of interest.**

Please Note: Inverse/Enhanced Market Strategies. Burt Wealth may use long and short mutual funds and/or exchange traded funds that are designed to perform in an inverse relationship to certain market indices (at a rate of 1 or more times the inverse [opposite] result of the corresponding index) as an investment strategy and/or for the purpose of hedging against downside market risk. There can be **no assurance** that any such strategy will prove profitable or successful. In light of these enhanced risks, a client may direct Burt Wealth, in writing, not to employ any or all such strategies for their accounts.

Trade Error Policy. From time-to-time Burt Wealth may make an error in submitting a trade order on the client's behalf. When this occurs, Burt Wealth may place a correcting trade with the broker-dealer which has custody of the client's account. If an investment gain results from the correcting trade, the gain will remain in the client's account unless the same error involved other client account(s) that should also have received the gain, it is not permissible for the client to retain the gain, or Burt Wealth confers with the client and the client decides to forego the gain (e.g., due to tax reasons). If the gain does not remain in the client's account and Charles Schwab & Co. Inc., ("Schwab") is the custodian, Schwab will donate the amount of any gain \$100 and over to charity. If a loss occurs greater than \$100, Burt Wealth will pay for the loss. Schwab will maintain the loss or gain (if such gain is not retained in the client's account) if it is under \$100 to minimize and offset its administrative time and expense. Generally, if related trade errors result in both gains and losses in the client's account, they may be netted.

Client Obligations. In performing its services, Burt Wealth shall not be required to verify any information received from the client or from the client's other professionals, and is expressly authorized to rely thereon. Moreover, each client is advised that it remains their responsibility to promptly notify Burt Wealth if there is ever any change in their financial situation or investment objectives for the purpose of reviewing, evaluating or revising Burt Wealth's previous recommendations and/or services.

Disclosure Statement. A copy of Burt Wealth's written Brochure as set forth on Part 2A of Form ADV shall be provided to each client prior to, or contemporaneously with, the execution of the *Investment Advisory Agreement* or *Financial Planning and Consulting Agreement*.

- C. Burt Wealth shall provide investment advisory services specific to the needs of each client. Prior to providing investment advisory services, an investment adviser representative will ascertain each client's investment objective(s). Thereafter, Burt Wealth shall allocate and/or recommend that the client allocate investment assets consistent with the designated investment objective(s). The client may, at anytime, impose reasonable restrictions, in writing, on Burt Wealth's services.
- D. Burt Wealth does not participate in a wrap fee program.
- E. As of December 31, 2017, Burt Wealth had approximately \$604,678,556 in assets under management on a discretionary basis.

Item 5 Fees and Compensation

A.

INVESTMENT ADVISORY SERVICES

Burt Wealth's annual investment advisory fee is based upon a percentage (%) of the market value placed under Burt Wealth's management as follows:

<u>Market Value of Portfolio</u>	<u>Annual Fee %</u>
Less than \$500,000	1.5%*
From \$500,000 - \$749,999	0.8%
From \$750,000 - 1,999,999	0.7%
From \$2,000,000 - \$5,999,999	0.6%
From \$6,000,000 - \$9,999,999	0.5%
Over \$10,000,000	0.4%

*Subject to \$3,750.00 minimum annual fee. Burt Wealth, in its sole discretion, may charge a lesser investment management fee or reduce its annual minimum fee based upon certain criteria (i.e. anticipated future earning capacity, anticipated future additional assets, dollar amount of assets to be managed, related accounts, account composition, or negotiations with client.).

FINANCIAL PLANNING AND CONSULTING SERVICES (STAND-ALONE)

To the extent specifically requested by a client, Burt Wealth *may* determine to provide financial planning and/or consulting services (including investment and non-investment related matters, including estate planning, insurance planning, etc.) on a stand-alone fee basis. Burt Wealth's planning and consulting fees are negotiable, but generally range from \$50 to \$250 on an hourly rate basis and on a fixed fee basis as quoted in advance and payable half in advance and half on presentation, depending upon the level and scope of the service(s) required and the professional(s) rendering the service(s).

- B. Clients may elect to have Burt Wealth's advisory fees deducted from their custodial account. Both Burt Wealth's *Investment Advisory Agreement* and the custodial/clearing agreement may authorize the custodian to debit the account for the amount of Burt Wealth's investment advisory fee and to directly remit that management fee to Burt Wealth in compliance with regulatory procedures. In the limited event that Burt Wealth bills the client directly, payment is due upon receipt of Burt Wealth's invoice. Burt Wealth deducts fees or bill clients quarterly in advance, based upon the market value of the assets on the last business day of the previous quarter.
- C. As discussed below, unless the client directs otherwise or an individual client's circumstances require, Burt Wealth shall generally recommend that Charles Schwab and Co., Inc., member SIPC ("*Schwab*") serve as the broker-dealer/custodian for client investment management assets. Broker-dealers such as *Schwab* charge brokerage commissions and/or transaction fees for effecting certain securities transactions (i.e. transaction fees are charged for certain no-load mutual funds, commissions are charged for individual equity and fixed income securities transactions). In addition brokerage commissions and transaction fees, mutual funds and ETF's carry additional fees and expenses (including third party management fees) in addition to Burt Wealth's advisory fees.

Tradeaway/Prime Broker Fees. Relative to its discretionary investment management services, when beneficial to the client, individual equity and/or fixed income transactions may be effected through broker-dealers other than the account custodian, in which event, the client generally will incur both the fee (commission, mark-up/mark-down) charged by the executing broker-dealer and a separate “tradeaway” and/or prime broker fee charged by the account custodian (Schwab).

- D. Burt Wealth’s annual investment advisory fee shall be prorated and paid quarterly, in advance, based upon the market value of the assets on the last business day of the previous quarter.

The *Investment Advisory Agreement* between Burt Wealth and the client will continue in effect until terminated by either party by written notice in accordance with the terms of the *Investment Advisory Agreement*. Upon termination, a pro-rated portion of the earned but unpaid advisory fee shall be due. Burt Wealth shall send the terminated client an invoice showing the calculation of the unpaid earned fees that are due.

Likewise, Burt Wealth shall refund any unearned pre-paid advisory fees upon termination of a contract. Burt Wealth determines the amount of the refund for unearned fees by prorating the pre-paid quarterly fee by the portion of the quarter that services were terminated. If unearned fees are due to the terminated client, Burt Wealth shall send the terminated client a refund check along with a letter showing the refund calculation.

- E. Neither Burt Wealth, nor its representatives accept compensation from the sale of securities or other investment products.

Item 6 Performance-Based Fees and Side-by-Side Management

Neither Burt Wealth nor any supervised person of Burt Wealth accepts performance-based fees.

Item 7 Types of Clients

Burt Wealth’s clients generally include individuals and high net worth individuals.

Item 8 Methods of Analysis, Investment Strategies and Risk of Loss

- A. Burt Wealth may utilize the following methods of security analysis:
- Charting - (analysis performed using patterns to identify current trends and trend reversals to forecast the direction of prices)
 - Fundamental - (analysis performed on historical and present data, with the goal of making financial forecasts)
 - Technical – (analysis performed on historical and present data, focusing on price and trade volume, to forecast the direction of prices)
 - Cyclical – (analysis performed on historical relationships between price and market trends, to forecast the direction of prices)

Burt Wealth may utilize the following investment strategies when implementing investment advice given to clients:

- Long Term Purchases (securities held at least a year)
- Short Term Purchases (securities sold within a year)
- Trading (securities sold within thirty (30) days)

Please Note: Investment Risk. Investing in securities involves risk of loss that clients should be prepared to bear. Different types of investments involve varying degrees of risk, and it should not be assumed that future performance of any specific investment or investment strategy (including the investments and/or investment strategies recommended or undertaken by Burt Wealth) will be profitable or equal any specific performance level(s).

- B. Burt Wealth's methods of analysis and investment strategies do not present any significant or unusual risks. However, every method of analysis has its own inherent risks. To perform an accurate market analysis Burt Wealth must have access to current/new market information. Burt Wealth has no control over the dissemination rate of market information; therefore, unbeknownst to Burt Wealth, certain analyses may be compiled with outdated market information, severely limiting the value of Burt Wealth's analysis. Furthermore, an accurate market analysis can only produce a forecast of the direction of market values. There can be no assurances that a forecasted change in market value will materialize into actionable and/or profitable investment opportunities.

Burt Wealth's primary investment strategies - Long Term Purchases, Short Term Purchases, and Trading - are fundamental investment strategies. However, every investment strategy has its own inherent risks and limitations. For example, longer term investment strategies require a longer investment time period to allow for the strategy to potentially develop. Shorter term investment strategies require a shorter investment time period to potentially develop but, as a result of more frequent trading, may incur higher transactional costs when compared to a longer term investment strategy. Trading, an investment strategy that requires the purchase and sale of securities within a thirty (30) day investment period involves a very short investment period but will incur higher transaction costs when compared to a short-term investment strategy and substantially higher transaction costs than a longer-term investment strategy.

- C. Currently, Burt Wealth primarily allocates client investment assets among various individual equity (stocks), debt (bonds) and fixed income securities, mutual funds and/or ETFs (including inverse ETFs and/or mutual funds that are designed to perform in an inverse relationship to certain market indices), on a discretionary basis in accordance with the client's designated investment objective(s).

As disclosed above, Burt Wealth may use long and short mutual funds and/or exchange traded funds that are designed to perform in an inverse relationship to certain market indices (at a rate of 1 or more times the inverse [opposite] result of the corresponding index) as an investment strategy and/or for the purpose of hedging against downside market risk. There can be **no assurance** that any such strategy will prove profitable or successful. In light of these enhanced risks, a client may direct Burt Wealth, in writing, not to employ any or all such strategies for his/her/their/its accounts. (*See* Item 4 B).

Item 9 Disciplinary Information

Burt Wealth has not been the subject of any disciplinary actions.

Item 10 Other Financial Industry Activities and Affiliations

- A. Neither Burt Wealth, nor its representatives, are registered or have an application pending to register, as a broker-dealer or a registered representative of a broker-dealer.
- B. Neither Burt Wealth, nor its representatives, are registered or have an application pending to register, as a futures commission merchant, commodity pool operator, a commodity trading advisor, or a representative of the foregoing.
- C. **Other Investment Adviser.** Certain owners of Burt Wealth's parent company are shareholders in Dembo Jones, P.C., which is a certified public accounting firm and a state-registered investment advisory firm ("DJ"). Neither Burt Wealth nor its representatives will refer its clients to DJ for investment advisory services.

Certified Public Accountants. Certain owners of Burt Wealth's parent company are Certified Public Accountants and shareholders of DJ. To the extent that these owners provide accounting or tax preparation services to clients of Burt Wealth, all services are performed by DJ independent of Burt Wealth, and Burt Wealth does not receive any of the fees charged by DJ, referral or otherwise. From time to time, the shareholders of DJ will recommend Burt Wealth's services to its clients. DJ is not involved in providing investment advice on behalf of Burt Wealth, nor does DJ hold itself out as providing advisory services on behalf of Burt Wealth. No client of Burt Wealth is under any obligation to use the services of DJ.

Conflict of Interest. The recommendation by Burt Wealth that a client engage DJ or its representatives in their capacities as Certified Public Accountants presents a conflict of interest, as Burt Wealth has an incentive to make this recommendation based on compensation to be received, rather than on a particular client's need. No client is under any obligation to engage DJ or its representatives for accounting services and clients are reminded that they may engage other unaffiliated Certified Public Accountants.

Burt Wealth's Chief Compliance Officer, Frederick J. Cornelius III, remains available to address any questions that a client or prospective client may have regarding the above conflict of interest.

Licensed Attorneys. Certain owners of Burt Wealth's parent company are licensed attorneys and shareholders of Tyrrell Mason & Pillote P.C. ("TMP"). In addition, we receive clients from referrals made by David Kanter. David Kanter is an attorney who is a licensed attorney with Kanter & Wishnow. To the extent that either entity or its associated persons provide legal services to clients of Burt Wealth, all services are performed independent of Burt Wealth, for which Burt Wealth does not receive any portion of the fees charged by TMP or Kanter & Wishnow, referral or otherwise. From time to time, the shareholders of TMP and Kanter & Wishnow will recommend Burt Wealth's services to certain of their clients. Neither TMP nor Kanter & Wishnow are involved in providing investment advice on behalf of Burt Wealth, nor do TMP or Kanter & Wishnow hold themselves out as providing advisory services on behalf of Burt Wealth. No client of Burt Wealth is under any obligation to use the services of TMP or Kanter & Wishnow.

Conflict of Interest. The recommendation by Burt Wealth or representatives that a client engage TMP or Kanter & Wishnow for legal services of any kind presents a conflict of interest, because Burt Wealth and its representatives have an indirect economic incentive to recommend TMP or Kanter & Wishnow. No client is under any obligation to retain TMP or Kanter & Wishnow to provide legal services. All clients may acquire legal services through other, non-affiliated law firms.

Burt Wealth's Chief Compliance Officer, Frederick J. Cornelius III, remains available to address any questions that a client or prospective client may have regarding the above conflict of interest.

- D. Burt Wealth does not receive, directly or indirectly, compensation from investment advisors that it recommends or selects for its clients.

Item 11 Code of Ethics, Participation or Interest in Client Transactions and Personal Trading

- A. The Burt Wealth Code of Ethics ("Code") has been adopted by Burt Wealth and is designed to comply with Rule 204A-1 under the Investment Advisers Act of 1940 ("Advisers Act").

This Code establishes rules of conduct for all employees of Burt Wealth and is designed to, among other things; govern personal securities trading activities in the accounts of employees, their immediate family/household accounts and accounts in which an employee has a beneficial interest. The Code is based upon the principle that Burt Wealth and its employees owe a fiduciary duty to Burt Wealth's clients to conduct their affairs, including their personal securities transactions, in such a manner as to avoid (i) serving their own personal interests ahead of clients, (ii) taking inappropriate advantage of their position with the Firm and (iii) any actual or potential conflicts of interest or any abuse of their position of trust and responsibility.

The Code is designed to ensure that the high ethical standards maintained by Burt Wealth continue to be applied. The purpose of the Code is to preclude activities which may lead to or give the appearance of conflicts of interest, insider trading and other forms of prohibited or unethical business conduct. The reputation of Burt Wealth continues to be a direct reflection of the conduct of each employee.

Pursuant to Section 206 of the Advisers Act, both Burt Wealth and its employees are prohibited from engaging in fraudulent, deceptive or manipulative conduct. Compliance with this section involves more than acting with honesty and good faith alone. It means that the Burt Wealth has an affirmative duty of utmost good faith to act solely in the best interest of its clients.

A full copy of the Burt Wealth Code of Ethics can be requested by contacting the CCO, Fred Cornelius at fcornelius@burtwealth.com.

In accordance with Section 204A of the Investment Advisers Act of 1940, Burt Wealth also maintains and enforces written policies reasonably designed to prevent the misuse of material non-public information by Burt Wealth or any person associated with Burt Wealth.

- B. Neither Burt Wealth nor any related person of Burt Wealth recommends, buys, or sells for

client accounts, securities in which Burt Wealth or any related person of Burt Wealth has a material financial interest.

- C. Burt Wealth and/or representatives of Burt Wealth *may* buy or sell securities that are also recommended to clients. This practice may create a situation where Burt Wealth and/or representatives of Burt Wealth are in a position to materially benefit from the sale or purchase of those securities. Therefore, this situation creates a potential conflict of interest. Practices such as “scalping” (i.e., a practice whereby the owner of shares of a security recommends that security for investment and then immediately sells it at a profit upon the rise in the market price which follows the recommendation) could take place if Burt Wealth did not have adequate policies in place to detect such activities. In addition, this requirement can help detect insider trading, “front-running” (i.e., personal trades executed prior to those of Burt Wealth’s clients) and other potentially abusive practices.

Burt Wealth has a personal securities transaction policy in place to monitor the personal securities transactions and securities holdings of each of Burt Wealth’s “Access Persons”. Burt Wealth’s securities transaction policy requires that an Access Person of Burt Wealth must provide the Chief Compliance Officer or his/her designee with a written report of their current securities holdings within ten (10) days after becoming an Access Person. Additionally, each Access Person must provide the Chief Compliance Officer or his/her designee with a written report of the Access Person’s current securities holdings at least once each twelve (12) month period on a date Burt Wealth selects.

Burt Wealth and/or representatives of Burt Wealth may buy or sell securities, at or around the same time as those securities are recommended to clients. This practice creates a situation where Burt Wealth and/or representatives of Burt Wealth are in a position to materially benefit from the sale or purchase of those securities. Therefore, this situation creates a potential conflict of interest. As indicated above in Item 11.C, Burt Wealth has a personal securities transaction policy in place to monitor the personal securities transaction and securities holdings of each of Burt Wealth’s Access Persons.

Item 12 Brokerage Practices

- A. In the event that the client requests that Burt Wealth recommend a broker-dealer/custodian for execution and/or custodial services (exclusive of those clients that may direct Burt Wealth to use a specific broker-dealer/custodian), Burt Wealth generally recommends that investment management accounts be maintained at *Schwab*. Prior to engaging Burt Wealth to provide investment management services, the client will be required to enter into a formal *Investment Advisory Agreement* with Burt Wealth setting forth the terms and conditions under which Burt Wealth shall manage the client’s assets, and a separate custodial/clearing agreement with each designated broker-dealer/custodian.

Factors that Burt Wealth considers in recommending *Schwab* or another broker-dealer/custodian to clients include historical relationship with Burt Wealth, financial strength, reputation, execution capabilities, pricing, research, and service. Although the commissions and/or transaction fees paid by Burt Wealth’s clients shall comply with Burt Wealth’s duty to obtain best execution, a client may pay a commission that is higher than another qualified broker-dealer might charge to effect the same transaction where Burt Wealth determines, in good faith, that the commission/transaction fee is reasonable in relation to the value of the brokerage and research services received. In seeking best execution, the determinative factor is not the lowest possible cost, but whether the

transaction represents the best qualitative execution, taking into consideration the full range of broker-dealer services, including the value of research provided, execution capability, commission rates, and responsiveness. Accordingly, although Burt Wealth will seek competitive rates, it may not necessarily obtain the lowest possible commission rates for client account transactions. The brokerage commissions or transaction fees charged by the designated broker-dealer/custodian are exclusive of, and in addition to, Burt Wealth's investment management fee. Burt Wealth's best execution responsibility is qualified if securities that it purchases for client accounts are mutual funds that trade at net asset value as determined at the daily market close.

1. Research and Additional Benefits

Although not a material consideration when determining whether to recommend that a client utilize the services of a particular broker-dealer/custodian, Burt Wealth may receive from *Schwab* (or another broker-dealer/custodian, investment platform, and/or mutual fund sponsor) without cost (and/or at a discount) support services and/or products, certain of which assist Burt Wealth to better monitor and service client accounts maintained at such institutions. Included within the support services that may be obtained by Burt Wealth may be investment-related research, pricing information and market data, software and other technology that provide access to client account data, compliance and/or practice management-related publications, discounted or gratis consulting services, discounted and/or gratis attendance at conferences, meetings, and other educational and/or social events, marketing support, computer hardware and/or software and/or other products used by Burt Wealth in furtherance of its investment advisory business operations. Burt Wealth received a courtesy discount for 2013 in the amount of \$4,800 products and services for which *Schwab* typically charges \$9,200. In 2014 Burt Wealth received a courtesy discount equal to \$6,900 for products and services which *Schwab* typically charges \$11,500. In 2015 Burt Wealth received a courtesy discount equal to \$5,750 for products and services which *Schwab* typically charges \$11,500. In 2016 Burt Wealth received a courtesy discount equal to \$5,750 for products and services which *Schwab* typically charges \$11,500. In 2017 Burt Wealth did not receive any discount and it does not expect to receive any discount in 2018.

As indicated above, certain of the support services and/or products that *may* be received may assist Burt Wealth in managing and administering client accounts. Others do not directly provide such assistance, but rather assist Burt Wealth to manage and further develop its business enterprise.

Burt Wealth's clients do not pay more for investment transactions effected and/or assets maintained at *Schwab* or any other broker-dealer/custodian as a result of this arrangement. There is no corresponding commitment made by Burt Wealth to *Schwab* or any other entity to invest any specific amount or percentage of client assets in any specific mutual funds, securities or other investment products as a result of the above arrangement.

Burt Wealth's Chief Compliance Officer, Frederick J. Cornelius, III, remains available to address any questions that a client or prospective client may have regarding the above arrangement and the conflict of interest such arrangement creates.

2. Burt Wealth does not receive referrals from broker-dealers.

3. Burt Wealth does not generally accept directed brokerage arrangements (when a client requires that account transactions be effected through a specific broker-dealer). In such client directed arrangements, the client will negotiate terms and arrangements for their account with that broker-dealer, and Burt Wealth will not seek better execution services or prices from other broker-dealers or be able to “batch” the client’s transactions for execution through other broker-dealers with orders for other accounts managed by Burt Wealth. As a result, client may pay higher commissions or other transaction costs or greater spreads, or receive less favorable net prices, on transactions for the account than would otherwise be the case.

Please Note: In the event that the client directs Burt Wealth to effect securities transactions for the client’s accounts through a specific broker-dealer, the client correspondingly acknowledges that such direction may cause the accounts to incur higher commissions or transaction costs than the accounts would otherwise incur had the client determined to effect account transactions through alternative clearing arrangements that may be available through Burt Wealth. Transactions for directed accounts will generally be executed following the execution of portfolio transactions for non-directed accounts.

Burt Wealth’s Chief Compliance Officer, Frederick J. Cornelius, III, remains available to address any questions that a client or prospective client may have regarding the above arrangement and the conflict of interest such arrangement creates.

- B. To the extent that Burt Wealth provides investment management services to its clients, the transactions for each client account generally will be effected independently, unless Burt Wealth decides to purchase or sell the same securities for several clients at approximately the same time. Burt Wealth may (but is not obligated to) combine or “bunch” such orders to obtain best execution, to negotiate more favorable commission rates or to allocate equitably among Burt Wealth’s clients differences in prices and commissions or other transaction costs that might have been obtained had such orders been placed independently. Under this procedure, transactions will be averaged as to price and will be allocated among clients in proportion to the purchase and sale orders placed for each client account on any given day. Burt Wealth shall not receive any additional compensation or remuneration as a result of such aggregation.

Item 13 Review of Accounts

- A. For those clients to whom Burt Wealth provides investment supervisory services, account reviews are conducted on an ongoing basis by Burt Wealth’s Principals and/or representatives. All investment supervisory clients are advised that it remains their responsibility to advise Burt Wealth of any changes in their investment objectives and/or financial situation. All clients (in person or via telephone) are encouraged to review financial planning issues (to the extent applicable), investment objectives and account performance with Burt Wealth on an annual basis.

- B. Burt Wealth may conduct account reviews on a non-periodic basis upon the occurrence of a triggering event, such as a change in client investment objectives and/or financial situation, market corrections and client request.
- C. Clients are provided, at least monthly, with written transaction confirmation notices and regular written summary account statements directly from the broker-dealer/custodian and/or program sponsor for the client accounts. Burt Wealth may also provide a quarterly written periodic report summarizing account activity and performance.

Item 14 Client Referrals and Other Compensation

- A. As referenced in Item 12.A.1 above, Burt Wealth receives an indirect economic benefit from broker-dealers. Burt Wealth, without cost (and/or at a discount), may receive support services and/or products from broker-dealers.

Burt Wealth's clients do not pay more for investment transactions effected and/or assets maintained at a given broker-dealer as a result of this arrangement. There is no corresponding commitment made by Burt Wealth to a given broker-dealer or any entity to invest any specific amount or percentage of client assets in any specific mutual funds, securities or other investment products as a result of the above arrangement.

Burt Wealth's Chief Compliance Officer, Frederick J. Cornelius, III, remains available to address any questions that a client or prospective client may have regarding the above arrangement and the conflict of interest this arrangement creates.

- B. If a client is introduced to Burt Wealth by either an unaffiliated or an affiliated solicitor, Burt Wealth may pay that solicitor a referral fee in accordance with the requirements of Rule 206(4)-3 of the Investment Advisers Act of 1940, and any corresponding state securities law requirements. Any such referral fee shall be paid solely from Burt Wealth's investment management fee, and shall not result in any additional charge to the client. If the client is introduced to Burt Wealth by an unaffiliated solicitor, the solicitor, at the time of the solicitation, shall disclose the nature of his/her/its solicitor relationship, and shall provide each prospective client with a copy of Burt Wealth's written Brochure and a copy of a written disclosure statement disclosing the terms of the arrangement between Burt Wealth and the solicitor, including the compensation to be received by the solicitor from Burt Wealth.

Item 15 Custody

Burt Wealth shall have the ability to have its advisory fee for each client debited by the custodian on a quarterly basis. Clients are provided, at least monthly, with written transaction confirmation notices and regular written summary account statements directly from the broker-dealer/custodian and/or program sponsor for the client accounts. Burt Wealth may also provide a quarterly written periodic report summarizing account activity and performance.

Burt Wealth engages in other practices and/or services on behalf of its clients that require disclosure at the Custody section of Part 1 of Form ADV, which practices and/or services are subject to an annual surprise CPA examination in accordance with the requirements of Rule 206(4)-2 under the Investment Advisers Act of 1940.

Please Note: To the extent that Burt Wealth provides clients with periodic account statements or reports, the client is urged to compare any statement or report provided by Burt Wealth with the account statements received from the account custodian.

Please Also Note: The account custodian does not verify the accuracy of Burt Wealth's advisory fee calculation.

Item 16 Investment Discretion

The client can determine to engage Burt Wealth to provide investment advisory services on a discretionary basis. Prior to Burt Wealth assuming discretionary authority over a client's account, the client shall be required to execute an *Investment Advisory Agreement*, naming Burt Wealth as the client's attorney and agent in fact, granting Burt Wealth full authority to buy, sell, or otherwise effect investment transactions involving the assets in the client's name found in the discretionary account.

Burt Wealth and/or the client shall correspondingly instruct each custodian of the assets to forward to Burt Wealth copies of all proxies and shareholder communications relating to the assets. Burt Wealth, in conjunction with the services provided by Broadridge, shall monitor corporate actions of individual issuers and investment companies consistent with Burt Wealth's fiduciary duty to vote proxies in the best interests of its clients. With respect to individual issuers, Burt Wealth may be solicited to vote on matters including corporate governance, adoption or amendments to compensation plans (including stock options), and matters involving social issues and corporate responsibility. In addition, information pertaining to how Burt Wealth voted on any specific proxy issue is also available upon written request.

Burt Wealth does not vote client proxies relative to ERISA accounts. Therefore with respect to ERISA accounts, clients maintain exclusive responsibility for: (1) directing the manner in which proxies solicited by issuers of securities owned by the client shall be voted, and (2) making all elections relative to any mergers, acquisitions, tender offers, bankruptcy proceedings or other type events pertaining to the client's investment assets.

Alternatively, clients may, at their written election, choose to receive proxies related to their own accounts, in which case Burt Wealth may consult with clients as they may request. To direct Burt Wealth to vote a proxy in a particular manner, clients should contact Frederick J. Cornelius, III by telephone, electronic mail, or in writing.

Burt Wealth will retain all proxy voting books and records for the requisite period of time, including a copy of each proxy statement received, a record of each vote cast, a copy of any document created by Burt Wealth that was material to making a decision how to vote proxies, and a copy of each written client request for information on how the adviser voted proxies. If Burt Wealth has a conflict of interest in voting a particular action, it will notify the client of the conflict and retain an independent third-party to cast a vote.

Clients may obtain a copy of our complete proxy voting policies and procedures by contacting Frederick J. Cornelius, III, directly. Clients may request, in writing, information on how proxies for his or her shares were voted. If any client requests a copy of the Firm's complete proxy policies and procedures or how it voted proxies for his or her accounts, Burt Wealth will promptly provide such information to the client.

Burt Wealth will neither advise nor act on behalf of the client in legal proceedings involving companies whose securities are held in the client's accounts, including, but not limited to, the filing of "Proofs of Claim" in class action settlements. If desired, clients may direct us to transmit copies of class action notices to the client or a third party. Upon such direction, Burt Wealth will make commercially reasonable efforts to forward such notices in a timely manner.

Item 2 Education Background and Business Experience

Frederick J. Cornelius, III was born in 1962. Mr. Cornelius graduated from Old Dominion University in 1986, with a Bachelor's degree in Finance. Mr. Cornelius has been with Burt Wealth Advisors since 1992 and has been President, Chief Executive Officer, Member and an investment adviser representative of Burt Wealth Advisors since 2003.

Mr. Cornelius has been a CERTIFIED FINANCIAL PLANNER™ since 1990. The CERTIFIED FINANCIAL PLANNER™, CFP® and federally registered CFP (collectively, the "CFP® marks") are professional certification marks granted in the United States by Certified Financial Planner Board of Standards, Inc. ("CFP Board").

The CFP® certification is a voluntary certification; no federal or state law or regulation requires financial planners to hold CFP® certification. It is recognized in the United States and a number of other countries for its (1) high standard of professional education; (2) stringent code of conduct and standards of practice; and (3) ethical requirements that govern professional engagements with clients. Currently, more than 79,000 individuals have obtained CFP® certification in the United States.

To attain the right to use the CFP® marks, an individual must satisfactorily fulfill the following requirements:

- Education – Complete an advanced college-level course of study addressing the financial planning subject areas that CFP Board’s studies have determined as necessary for the competent and professional delivery of financial planning services, and attain a Bachelor’s Degree from a regionally accredited United States college or university (or its equivalent from a foreign university). CFP Board’s financial planning subject areas include insurance planning and risk management, employee benefits planning, investment planning, income tax planning, retirement planning, and estate planning;
- Examination – Pass the comprehensive CFP® Certification Examination. The examination, administered over a six (6) hour period, includes case studies and client scenarios designed to test one’s ability to correctly diagnose financial planning issues and apply one’s knowledge of financial planning to real world circumstances;
- Experience – Complete at least three years of full-time financial planning-related experience (or the equivalent, measured as 2,000 hours per year) or two years of Apprenticeship experience that meets additional requirements; and
- Ethics – Agree to be bound by CFP Board’s *Standards of Professional Conduct*, a set of documents outlining the ethical and practice standards for CFP® professionals.

Individuals who become certified must complete the following ongoing education and ethics requirements in order to maintain the right to continue to use the CFP® marks:

- Continuing Education – Complete 30 hours of continuing education hours every two years, including two hours on the *Code of Ethics* and other parts of the *Standards of Professional Conduct*, to maintain competence and keep up with developments in the financial planning field; and
- Ethics – Renew an agreement to be bound by the *Standards of Professional Conduct*. The *Standards* prominently require that CFP® professionals provide financial planning services at a fiduciary standard of care. This means CFP® professionals must provide financial planning services in the best interests of their clients.

CFP® professionals who fail to comply with the above standards and requirements may be subject to CFP Board’s enforcement process, which could result in suspension or permanent revocation of their CFP® certification.

Mr. Cornelius has been a CFA® Charter Holder since 1999. CFA® designates an international professional certificate that is offered by the CFA Institute.

The Chartered Financial Analyst (CFA) charter is a globally respected, graduate-level investment credential established in 1962 and awarded by CFA Institute — the largest global association of investment professionals.

There are currently more than 142,000 CFA charter holders working in 159 countries. To earn the CFA charter, candidates must: (1) pass three sequential, six-hour examinations; (2) have at least four years of qualified professional investment experience; (3) join CFA Institute as members; and (4) commit to abide by, and annually reaffirm, their adherence to the CFA Institute Code of Ethics and Standards of Professional Conduct.

High Ethical Standards

The CFA Institute Code of Ethics and Standards of Professional Conduct, enforced through an active professional conduct program, require CFA charter holders to:

- Place their clients' interests ahead of their own
- Maintain independence and objectivity
- Act with integrity
- Maintain and improve their professional competence
- Disclose conflicts of interest and legal matters

Global Recognition

Passing the three CFA exams is a difficult feat that requires extensive study (successful candidates report spending an average of 300 hours of study per level). Earning the CFA charter demonstrates mastery of many of the advanced skills needed for investment analysis and decision making in today's quickly evolving global financial industry. As a result, employers and clients are increasingly seeking CFA charterholders—often making the charter a prerequisite for employment. Additionally, regulatory bodies in 38 countries/territories recognize the CFA charter as a proxy for meeting certain licensing requirements, and more than 466 colleges and universities around the world have incorporated a majority of the CFA Program curriculum into their own finance courses.

Comprehensive and Current Knowledge

The CFA Program curriculum provides a comprehensive framework of knowledge for investment decision making and is firmly grounded in the knowledge and skills used every day in the investment profession. The three levels of the CFA Program test a proficiency with a wide range of fundamental and advanced investment topics, including ethical and professional standards, fixed-income and equity analysis, alternative and derivative investments, economics, financial reporting standards, portfolio management, and wealth planning.

The CFA Program curriculum is updated every year by experts from around the world to ensure that candidates learn the most relevant and practical new tools, ideas, and investment and wealth management skills to reflect the dynamic and complex nature of the profession.

Item 5 Additional Compensation

Mr. Kanter's annual compensation is based, in part, on the amount of assets under management that Mr. Kanter introduces to the Registrant. Accordingly, Mr. Kanter has a conflict of interest for recommending the Registrant to clients for investment advisory services, as the recommendation could be made on the basis of compensation to be received, rather than on a client or prospective client's best interests.

Item 6 Supervision

The Registrant provides investment advisory and supervisory services in accordance with the Registrant's policies and procedures manual. The primary purpose of the Registrant's Rule 206(4)-7 policies and procedures is to comply with the supervision requirements of Section 203(e)(6) of the Investment Advisor's Act ("*Act*"). The Registrant's Chief Compliance Officer, Frederick J. Cornelius, III, is primarily responsible for the implementation of the Registrant's policies and procedures and overseeing the activities of the Registrant's supervised persons. Should an employee or investment adviser representative of the Registrant have any questions regarding the applicability/relevance of the *Act*, the Rules thereunder, any section thereof, or any section of the policies and procedures, he/she should address those questions with the Chief Compliance Officer. Should a client have any questions regarding the Registrant's supervision or compliance practices, please contact Mr. Cornelius at (301) 770-9880.

Item 2 Education Background and Business Experience

Jennifer C. MacLennan was born in 1970. Ms. MacLennan graduated from Boston College in 1992, with a Bachelor of Science degree in Accounting. Ms. MacLennan has been working with Burt Wealth Advisors since 1997.

Ms. MacLennan has been a CERTIFIED FINANCIAL PLANNER™ since 1997. The CERTIFIED FINANCIAL PLANNER™, CFP® and federally registered CFP (collectively, the “CFP® marks”) are professional certification marks granted in the United States by Certified Financial Planner Board of Standards, Inc. (“CFP Board”).

The CFP® certification is a voluntary certification; no federal or state law or regulation requires financial planners to hold CFP® certification. It is recognized in the United States and a number of other countries for its (1) high standard of professional education; (2) stringent code of conduct and standards of practice; and (3) ethical requirements that govern professional engagements with clients. Currently, more than 79,000 individuals have obtained CFP® certification in the United States.

To attain the right to use the CFP® marks, an individual must satisfactorily fulfill the following requirements:

- Education – Complete an advanced college-level course of study addressing the financial planning subject areas that CFP Board’s studies have determined as necessary for the competent and professional delivery of financial planning services, and attain a Bachelor’s Degree from a regionally accredited United States college or university (or its equivalent from a foreign university). CFP Board’s financial planning subject areas include insurance planning and risk management, employee benefits planning, investment planning, income tax planning, retirement planning, and estate planning;
- Examination – Pass the comprehensive CFP® Certification Examination. The examination, administered over a six (6) hour period, includes case studies and client scenarios designed to test one’s ability to correctly diagnose financial planning issues and apply one’s knowledge of financial planning to real world circumstances;
- Experience – Complete at least three years of full-time financial planning-related experience (or the equivalent, measured as 2,000 hours per year) or two years of Apprenticeship experience that meets additional requirements; and
- Ethics – Agree to be bound by CFP Board’s *Standards of Professional Conduct*, a set of documents outlining the ethical and practice standards for CFP® professionals.

Individuals who become certified must complete the following ongoing education and ethics requirements in order to maintain the right to continue to use the CFP® marks:

- Continuing Education – Complete 30 hours of continuing education hours every two years, including two hours on the *Code of Ethics* and other parts of the *Standards of Professional Conduct*, to maintain competence and keep up with developments in the financial planning field; and
- Ethics – Renew an agreement to be bound by the *Standards of Professional Conduct*. The *Standards* prominently require that CFP® professionals provide financial planning services at a fiduciary standard of care. This means CFP® professionals must provide financial planning services in the best interests of their clients.

CFP® professionals who fail to comply with the above standards and requirements may be subject to CFP Board’s enforcement process, which could result in suspension or permanent revocation of their CFP® certification.

Ms. MacLennan has held the designation of Certified Public Accountant (“CPA”) since 1994. CPAs are licensed and regulated by their state boards of accountancy. While state laws and regulations vary, the education, experience and testing requirements for licensure as a CPA generally include minimum college education (typically 150 credit hours with at least a baccalaureate degree and a concentration in accounting), minimum experience levels (most states require at least one year of experience providing services that involve the use of accounting, attest, compilation, management advisory, financial advisory, tax or consulting skills, all of which must be achieved under the supervision of or verification by a CPA), and successful passage of the Uniform CPA Examination. In order to maintain a CPA license, states generally require the completion of 40 hours of continuing professional education (CPE) each year (or 80 hours over a two-year period or 120 hours over a three-year period). Additionally, all American Institute of Certified Public Accountants (AICPA) members are required to follow a rigorous *Code of Professional Conduct* which requires that they act with integrity, objectivity, due care, competence, fully disclose any conflicts of interest (and obtain client consent if a conflict exists), maintain client confidentiality, disclose to the client any commission or referral fees, and serve the public interest when providing financial services.

Item 3 Disciplinary Information

Item 4 Other Business Activities

- A. The supervised person is not actively engaged in any other investment-related businesses or occupations.
- B. **Certified Public Accountant (CPA)**. Jennifer C. MacLennan, in her individual capacity, is a certified public accountant, and may recommend her tax preparation and/or accounting services. To the extent a client determines to engage Ms. MacLennan to provide tax preparation and/or accounting services, such services shall be provided by Ms. MacLennan in her individual capacity as a certified public accountant, independent of Registrant. Registrant shall receive no portion of fees charged by Ms. MacLennan for such services. **Conflict of Interest**: The recommendation by Ms. MacLennan that a client elect her accounting services presents a *conflict of interest*, as the receipt of fees for accounting services may provide an incentive to recommend such services, rather than recommending such services based upon a particular client’s needs. No client is under any obligation to utilize Ms. MacLennan for accounting services. Clients are reminded that they may elect to obtain accounting services recommended by the Registrant through other non-affiliated certified public accountants. **The Registrant’s Chief Compliance Officer, Frederick J.
